

Coffee Shop Assignment 3

Topic: Media Queries and Bootstrap Grid

Team name: DMT

Group: SE-2509

Members and pages

Yernur Kanapiyauly: Home and About us; responsive cards, navigation and carousel.

Damir Argumbayev: Menu and Contact; Bootstrap cards, grid and responsive form.

Both names appear in the footer of all four pages. The Assignment 2 site remains at the main URL; this work is in a separate assignment-3 copy.

Objective

Make the Coffee Shop pages respond to mobile, tablet and desktop screens using CSS media queries and Bootstrap components while keeping the existing site design.

Tasks and steps

Task 1. Responsive typography: Set body and heading font sizes at the mobile, tablet (576px) and desktop (992px) breakpoints.

Task 2. Card group: Keep Home cards in a CSS grid: one column on phones, two on tablets and three on desktops.

Task 3. Bootstrap grid: Use container-fluid and responsive rows: two col-lg-6 sections on Contact and three col-lg-4 cards on Menu.

Task 4. Spacing utilities: Use Bootstrap gaps, margin and padding classes on the new grid, cards, carousel and form.

Task 5. Navigation bar: Add four links and a navbar-toggler that opens the collapsed menu on narrow screens.

Task 6. Buttons: Use Bootstrap button styles, sizes, outline buttons and a btn-group on Home.

Task 7. Carousel: Place nine local photographs in the About us carousel with indicators and controls.

Task 8. Cards: Build three image, title and description cards in the Menu grid.

Task 9. Responsive form: Apply form-control, radio and checkbox classes to the Contact form.

Task 10. Accessibility: Keep labels, alternative text, semantic navigation, aria labels and readable contrast.

Publishing and conclusion

The changes were committed and published on GitHub Pages. Desktop and phone screenshots on the following pages show the final result. The original FormSubmit destination was kept; email delivery was not tested.

href="contact.html">Contact	

HTML code for the collapsible navigation and Bootstrap button group.

Home

Tasks 1, 2, 5 and 6: text sizes change with screen width; the three cards use CSS media queries. The four-link Bootstrap navbar and buttons retain the original colours.

Home page at a desktop width of 1200px.

css/style.css lines 290-296

```
290 @media (min-width: 576px) {
291   .media-card-row { grid-template-columns:
      repeat(2, minmax(0, 1fr)); }
292 }
293
294 @media (min-width: 992px) {
295   .media-card-row { grid-template-columns:
      repeat(3, minmax(0, 1fr)); }
296 }
```

css/style.css lines 298-309

```
298 body { font-size: 14px; }
299 h1 { font-size: 26px; }
300 h2 { font-size: 20px; }
301 @media (min-width: 576px) {
302   body { font-size: 15px; }
303   h1 { font-size: 28px; }
304   h2 { font-size: 22px; }
305 }
306 @media (min-width: 992px) {
307   body { font-size: 16px; }
308   h1 { font-size: 30px; }
309   h2 { font-size: 23px; }
```

CSS code for the card grid and responsive typography.

Menu

Tasks 3, 4 and 8: a Bootstrap row uses col-sm-6 and col-lg-4 for the three menu cards. The same page uses Bootstrap spacing classes and a container-fluid wrapper.

Coffee Shop

Today's idea

Cappuccino + croissant

2,000 KZT

Our menu

Choose a drink and a snack. All prices are in tenge.

Black coffee

Choose a small espresso or a larger Americano.

Ask about coffee

Milk coffee

Try a latte or cappuccino with your breakfast.

Ask about drinks

Something sweet

Add a croissant to your favourite hot drink.

Ask about snacks

Drinks and snacks

Item	Size	Price
Espresso	30 ml	700 KZT
Americano	250 ml	900 KZT
Cappuccino	250 ml	1,200 KZT
Latte	300 ml	1,300 KZT
Hot chocolate	250 ml	1,100 KZT
Croissant	80 g	800 KZT

How to order

1. Choose a drink and a snack.

2. Tell the barista your order.

3. Pay and collect your order.

Yernur Kanapiyuly and Damir Argumbayev

Menu page with three Bootstrap cards and the original drinks table.

```
menu.html lines 46-54

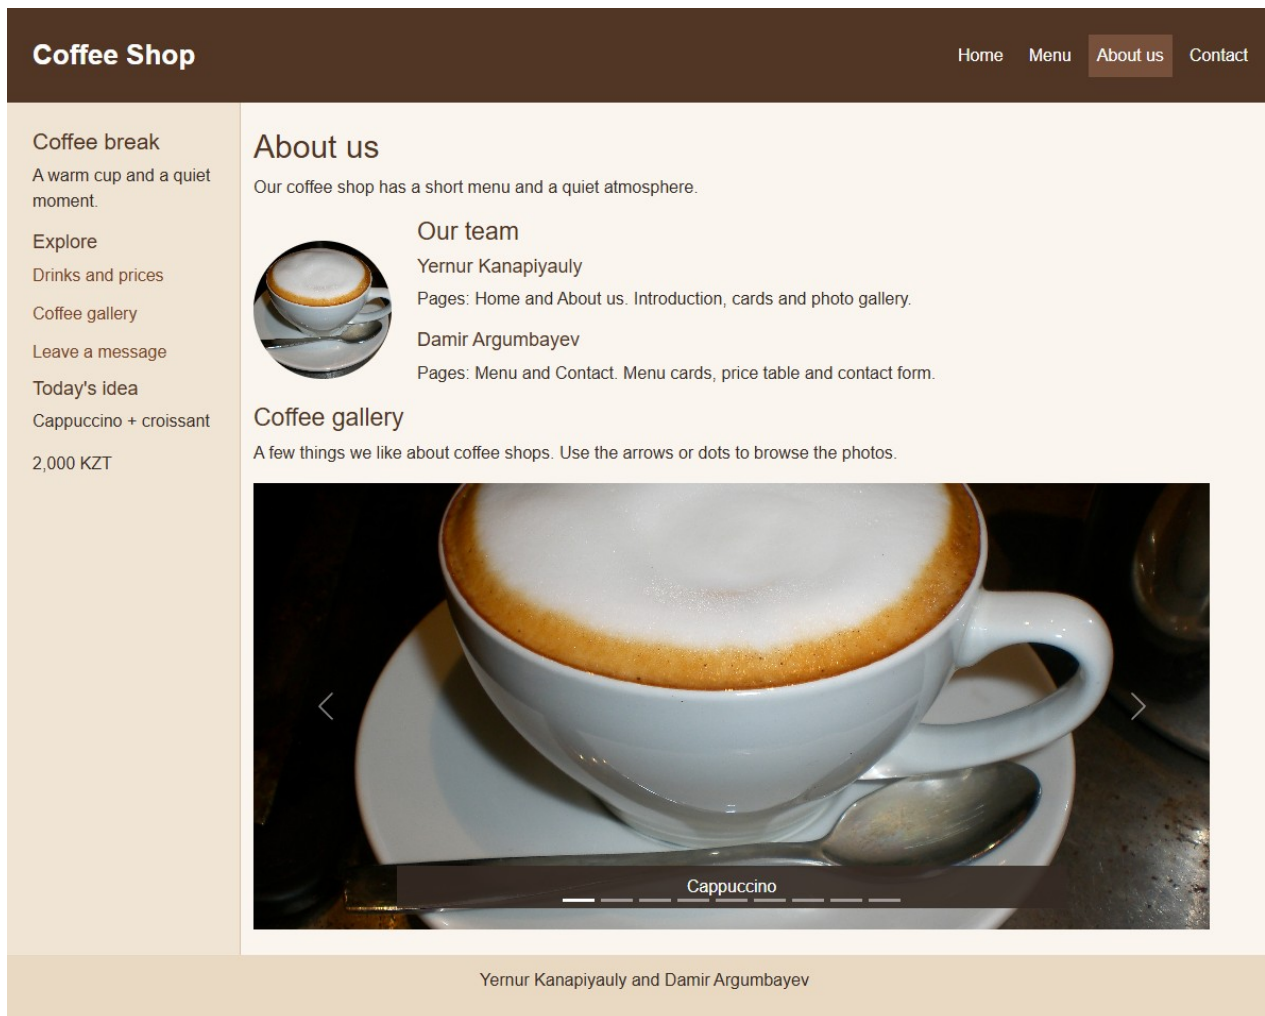

46         <div class="row g-3 mt-lg-4">
47             <div class="col-sm-6 col-lg-4">
48                 <article class="card h-100">
49                     
50                     <div class="card-body d-flex flex-column">
51                         <h3 class="card-title">Black coffee</h3>
52                         <p class="card-text">Choose a small espresso or a larger Americano.</p>
53                         <a class="btn btn-primary btn-sm mt-auto align-self-start"
href="contact.html#contact-form">Ask about coffee</a>
54                     </div>
```

HTML code for the responsive card row and its first card.

3

About us

Tasks 5 and 7: the navbar is reused on this page. The carousel contains nine photographs with slide indicators and previous and next controls.

About us page showing the first carousel slide.

about.html lines 58-72

```
58     <div id="gallery" class="carousel slide" data-bs-ride="carousel" aria-label="Coffee gallery">
59         <div class="carousel-indicators">
60             <button type="button" data-bs-target="#gallery" data-bs-slide-to="0" class="active"
        aria-current="true" aria-label="Slide 1: Cappuccino"></button>
61             <button type="button" data-bs-target="#gallery" data-bs-slide-to="1" aria-label="Slide 2:
        Coffee beans"></button>
62             <button type="button" data-bs-target="#gallery" data-bs-slide-to="2" aria-label="Slide 3:
        Fresh pastry"></button>
63             <button type="button" data-bs-target="#gallery" data-bs-slide-to="3" aria-label="Slide 4:
        Cafe lights"></button>
64             <button type="button" data-bs-target="#gallery" data-bs-slide-to="4" aria-label="Slide 5:
        A place to sit"></button>
65             <button type="button" data-bs-target="#gallery" data-bs-slide-to="5" aria-label="Slide 6:
        Pour-over coffee"></button>
66             <button type="button" data-bs-target="#gallery" data-bs-slide-to="6" aria-label="Slide 7:
        Black coffee"></button>
67             <button type="button" data-bs-target="#gallery" data-bs-slide-to="7" aria-label="Slide 8:
        Coffee with friends"></button>
68             <button type="button" data-bs-target="#gallery" data-bs-slide-to="8" aria-label="Slide 9:
        Milk coffee"></button>
69         </div>
70         <div class="carousel-inner">
71             <div class="carousel-item active">
72                 
```

HTML code for the carousel indicators and first slide.

Contact

Tasks 3, 4, 9 and 10: two col-lg-6 sections sit side by side on desktop and stack on phones. Form fields use Bootstrap controls, radio buttons and a checkbox with labels.
